Pharmacy

The Pharmaceutical sciences combine a broad range of scientific disciplines that are critical to the discovery and development of new drugs and therapies. Pharmaceutical sciences can be broadly classified into Drug discovery & design, Drug Delivery, Drug action, Drug analysis, Regulatory affairs etc.

In today's dynamic world when every moment a new innovation in technology is evolved, **Swathi College of Pharmacy (SCP)** provides ample opportunities to students to innovate and think critically and lead the learning process.

Our college is having MoU with **Vijaya Hospitals, Nellore** for clinical training for Pharm.D programme. Our College is approved by AICTE, PCI, Govt. of AP and affiliated with JNTUA, Anantapur, and SBTET, Vijayawada.

Vijaya Hospitals, Nellore

Medicover Hospitals, Nellore

Physiotherapy

Physiotherapy or physical therapy is an allied health profession that makes use of electrotherapy, evidence-based kinesiology, exercise prescription and shockwave mobility to treat chronic conditions of the bones and soft tissues. Unlike the traditional branches of medicine, physiotherapy doesn't rely extensively on the use of drugs and medicine. Instead, it relies on the use of physical treatment to improve the situation.

Our college is having MoU with Medicover Hospitals, Nellore for clinical training for BPT programme. SCPT is approved by Govt of AP and affiliated with Dr NTRUHS, Vijayawada.

Nursing

Nurses play a pivotal role in healthcare industry, their selfless work, and contribution towards sick and infirm people is not less than any doctor. Whether ward nursing, emergency case handling, or managing the global pandemic, from time-to-time nurses have always proven their mettle in all walks of patient care and disease management.

Our college is having MoU with Medicover Hospitals, Nellore for clinical training for Nursing programme.

SCN is approved by Govt of AP and affiliated with Dr NTRUHS, Vijayawada.
