Agenda 1: Feedback analysis

Last academic year and this year's results are compared and discussions are made to take the necessary steps for the improvement. Reviewed the report on students' feedback on faculty and other stakeholders feedback are analyzed.

Agenda 2: Research and placement activities

Research committee formed to initiate research related activities in the college which should benefit both students and faculties. All departments are encouraged for hosting international, national conferences. Suggestions are made to arrange a speakers' corner for encouraging faculty members and students to involve in research activities. The team decided to conduct workshops on research methodology every semester.
