Trust Members	
1. Sri. K. Sassidhar Reddy, Managing Trustee	
2. Smt. K. Rupa, Trustee	
3. Sri. M. Kuppa Reddy, Trustee	

Swathi Educational Trust (SET) was established in the year of 2007 with a noble vision to provide quality professional education to meritorious students from diverse backgrounds, fostering academic excellence and social responsibility. Guided by our core philosophy of "**Learn, Discover, Inspire, and Transform,**" we meticulously design our Pharmacy, Nursing, and Physiotherapy programs to be benchmarks of clinical mastery. We believe healthcare education transcends textbooks; it is a transformative process that shapes character, instills ethical values, and nurtures the compassionate heart of a healer. By integrating state-of-the-art infrastructure with a culture of innovation, we ensure our graduates emerge as socially conscious citizens ready to revolutionize the global healthcare landscape. As the saying goes, "**Teamwork makes the dream work,**" and I am immensely proud of our dedicated faculty who tirelessly work under my personal guidance to turn our institutional vision into reality. Drawing inspiration from Dr. A.P.J. Abdul Kalam's belief that "**Education is the most powerful weapon which you can use to change the world,**" we continuously upgrade our curricula and research culture to meet modern industry demands. Every effort is directed towards creating a learner-centric, inclusive environment where talent is recognized and aspirations are nurtured for a successful future. We lay special emphasis on clinical exposure and simulation-based learning, empowering students to confidently address real-world healthcare needs in diverse professional settings. I warmly invite you to join the Swathi family and experience an educational ecosystem that empowers you to discover your potential and contribute to a healthier world.
